Jews of Bristol R.I.

New York, February 23, 1843.

The undersigned begs respectfully to call your attention to the enclosed Programme of a Concert which is to be given to the Rev. Mr. Marcus, who has for several years devoted himself most zealously to the spiritual and temporal welfare of British Emigrants, but has derived little or no aid in support of himself and family.

It is hoped, therefore, you will assist on this occasion by the purchase of some Tickets, of which, by directing a line to the undersigned, or to any other Member of the Committee of Arrangment, any number will be forwarded.

J. Leander Starr, Secretary,
