AZTEC CLUB OF 1847.

Chronicle.

On the 13th of October, 1847, as soon as the United States Army was quietly established in the City of Mexico, a meeting of officers was called with a view of forming a Club and opening a club-house for the entertainment of its members and their guests while in the city.

It is not known that any record exists of the early proceedings of the Club thus formed, but the following were among the promoters or took an active part as club officers from the start:

General Quitman, as President; Captain J. B. Grayson and Colonel C. F. Smith, as First Vice-Presidents; Capt. J. B. Magruder, as Second Vice-President; Lieutenant R. P. Hammond, as Treasurer; Captain George Deas and Lieutenant H. Coppée, as Secretaries.

The original home of the Club was the handsome residence of Señor Boca Negra, who had been formerly minister to the United States from Mexico, and was located on one of the streets leading out of the Calle Plateros, and not far from the headquarters of General Scott, Commander-in-Chief.

On the 13th of January, 1848, a Constitution was adopted and a new election was held. The initiation fee was made $20, payable in advance. General Winfield Scott and Chaplain John McCarty were elected honorary members.

On March 3d, 1848, by resolution of the Club, a Constitution, with a list of the members, was printed at the office of the "American Star," in the City of Mexico.

A meeting of the Aztec Club was held in May, 1848, when it was determined that no satisfactory plan could be then proposed for continuing the existence of the Club,

after returning to the United States; but, "desiring to preserve some lasting memorial of the pleasure and advantages derived from this institution that may serve for all time as an additional bond of friendship and brotherhood among its members," it was

"*Resolved,* That the organization of the Club shall continue with its present officers for a period of five years from the 14th September, 1847."

At the time of the withdrawal of the Army from Mexico the Club consisted of 160 members and 2 honorary members.

In 1852 an election of new officers was made accordingly, but no regular meeting of the Club took place until September, 1867, when officers were elected, a place and day for the next annual meeting named, a list of the original members ordered to be printed and distributed, and a commemoration badge to be designed for transmission to living members and to the families of those deceased.

The action taken at this meeting was submitted to the survivors of the Aztec Club, and confirmed by the votes returned to the Secretary.

At future regular meetings resolutions have been adopted, in accordance with Article XII of the Constitution of 1847, as follows:

In 1871 it was decided to admit to membership officers who may apply, having served in any part of Mexico during the war, after nomination and election by the Club.

In 1882 it was decided that officers killed in battle or who died of wounds in Mexico before the formation of the Club might, upon application of a son or nearest blood relative, be admitted to the roll of membership, to be represented by the son or nearest blood relative, after his nomination and election by the Club.

In 1887 it was decided that officers now deceased who served in Mexico during the war, never members of the

Club, but eligible to membership if living, may be admitted to the roll of membership, each to be represented by his nearest blood relative, when duly elected by the Club, upon the written application of such blood relative approved by two members to whom he is known.

In October, 1888, it was deemed proper, in view of the expressed desire of the original Club, in May, 1848, "to preserve for all time some lasting memorial that may serve as an additional bond of friendship and brotherhood among its members;" and the decided continuance of the Aztec Club of 1847 in "perpetuity," as expressed in the Constitution of 1887, and again in the revised Constitution of 1888, that the Club should be known—

1st. As the "Aztec Club of 1847."

2d. That it is to be continued in "perpetuity."

3d. That the basis of "membership" is *personal service in some part of Mexico, "as an officer, during the war with that country;"* and

That the lists of members should embrace the names of—

1st. All members admitted in Mexico in 1848.

2d. All admitted and who may be admitted under resolution of 1871.

3d. All admitted and who may be admitted under resolution of 1883.

4th. All admitted and who may be admitted under resolution of 1887.

In 1889 the Constitution was altered by adding the words "Navy or Marine Corps" after the word "Army," in the second line of Article II, on membership, so as to read "as an officer of the Army, Navy or Marine Corps."

At the meeting October 13, 1892, it was decided to incorporate this organization, and accordingly, on the 29th day of December, 1892, upon application of Peter Valentine Hagner, Stewart Van Vliet, De Lancey Floyd-Jones, John Darragh Wilkins, Thornton Alexander Jen-

kins, James H. Watmough, Theodorus B. M. Mason, Mark Burckle Hatch, Richard Weightman, Richard Graham Davenport, Horatio Gates Gibson, Randall Hagner, and Christopher Colon Augur, a certificate of incorporation as "The Aztec Club of 1847" was obtained under the Revised Statutes of the United States relating to the District of Columbia.

1893. At the Meeting held in St. Louis, Mo., October 13, 1893, the Secretary reported that during the year the "Army and Navy Club" of Washington, D. C., extended its eligibility to membership so as to include with the members of the Order of the Cincinnati and Loyal Legion, those of the Aztec Club of 1847.

A resolution to change the button of recognition from enameled metal to one of silk, similar in size and form to that now worn by the Military Order of the Loyal Legion, the colors of the ribbon to be green, white and red as in the present metal button was proposed and was presented at the next Annual Meeting held in New York City, October 13, 1894, for final action, was lost on being put to vote.

1894. The last paragraph of Article II of the Constitution was altered to read in the first line "three (3) months" instead of "ten (10) months" so that in future the paragraph will read: "Should an elected applicant neglect for three (3) months after election to send his acceptance and pay the prescribed fee his name shall be reported to the Club by the Treasurer for its action at the next regular meeting, and unless a good reason for such neglect is presented, his name shall be dropped"—

1895. A resolution taxing all members two dollars per annum for the period of five years and giving them the privilege of paying the lump sum of ten dollars in lieu of yearly subscription, thereby releasing them from all future taxation, which sum with any other available funds shall be invested in some well established security or bonds, which

security shall be placed in trust in such Trust Company in New York City as the President, Secretary and Treasurer of the Club may adopt; the interest of said funds only to be used in defraying the Annual expenses of the Ciub, the principal of said fund in no case to be used except for re-investment or upon the dissolution of the Aztec Club, when it shall be divided among those taxed or their successors, was adopted.

A communication from Major Theodore J. Eckerson, U. S. Army, presenting to the Club the original General Order No. 30, of General Zachary Taylor, a reduced copy of which is inserted in this register, was received.

1896. The Amendment to Article III of the Constitution relating to furnishing diplomas to Members who shall have lost theirs or who are not already entitled to them under the present Constitution, etc., was adopted.

The Amendment to Article IV, section 5, of the Constitution relating to the appointment of Assistants to the Secretary and Treasurer, was adopted.

The Amendment to Article VIII of the Constitution sanctioning informal gathering of members unable to be present at the regular Annual Meeting of the Club, was adopted.

The Amendment to Article II of the By-Laws relating to invitations to guests to the Annual Banquet, was adopted.

1897. The Club celebrated the fiftieth Anniversary of its formation by the largest attendance since it transferred its home to the United States. There were thirty-five members present. Among these were Col. Parmenas T. Turnley, Admiral Bancroft Gherardi, General Fitz John Porter, Col. De Lancey Floyd-Jones, General John P. Hatch, Col. Charles Thorburn, Chief Engineer Shock, General Francis E. Pinto, General Robert Murray, Gen. W. W. H. Davis and General Egbert L. Viele, all of whom saw service in the Mexican War.

A commemorative bronze medal with appropriate designs, executed by Tiffany & Co., was prepared for the occasion and distributed gratuitously to all members not in arrears to the Treasury of the Club.

1898. Amendment to Article II § 5 ¶ 2 of the Constitution relating to avoidance of delay in the election of Candidates for admission to the Club and vesting in the Committee on Admissions the power to elect such Candidates at quarterly meetings of said Committee, was adopted.

In May the dies for the Semi-Centennial Bronze Medal were destroyed as per instructions given at the last Annual Meeting.

1899. The resolution proposed at the meeting, October 13, 1898, to place in the Cullum Memorial Hall at West Point, N. Y., a bronze Memorial Tablet to the three Capron's, Members of the Club, who died in the Service, was amended to include the names of all officers, Members of the Club, who were killed in battle or who died of wounds received in the line of duty.

The Secretary was ordered to prepare, for distribution among the members, the tri-annual Register containing the Constitution and List of Members.

1900. The Committee appointed to secure a fund for the erection in Cullum Memorial Hall, at West Point, N. Y., of a bronze memorial tablet, to the memory of those members of the Aztec Club of 1847 who were "killed in battle or who died of wounds received in action," reported that the tablet was placed in Cullum Hall, June 12, 1900.

Article 2, Section 5, Constitution of 1900, was so amended as to read:

"In view of the fact that the Club is in such strong financial condition, it is directed that all the Annual Dues hereafter collected be applied to the General Fund, for such use as the Club may direct."

1901. The Club having been notified through the Secretary of the Tablet Committee that the tablet erected in

Cullum Hall in 1900 conflicted, in some details, with the provisions of General Cullum's will, in that it memorialized certain officers who were non-graduates of the Military Academy, and that unless these errors were corrected the tablet would have to be removed from Cullum Hall, the Club voted to remove the tablet and erect it in some suitable place "after adding to the names on the tablet the names of all entitled to such memorialization." A committee was appointed to secure subscriptions for a new tablet.

Amendment to Article 2, Section 5, Constitution of 1900, providing that a successor to a primary member, who applies for membership within five (5) years from the date of the death of the primary member, shall pay an initiation fee of five (5) dollars, was adopted.

Amendment to Article 2, Section 5, Constitution of 1900, relating to the payment of dues, etc., was adopted.

1902. The Secretary reported that permission had been obtained from the Superintendent of the Military Academy, West Point, N. Y., to place the memorial tablet in the Cadet Chapel, and that the tablet was transferred from Cullum Hall on December 12, 1901.

Amendment to Article 3, Constitution of 1900, proposed at the meeting of October 12, 1901, and printed in the proceedings of that year, was adopted.

1903. At the meeting of October 13, 1903, a committee was appointed, by unanimous vote, "to prepare and perfect articles of re-incorportion of the Aztec Club of 1847 in order that the terms of incorporation may be perpetual."

1904. The Secretary reported that the new memorial tablet was placed in the Cadet Chapel at West Point, September, 1904.

The Committee on Re-incorporation and Charter Perpetuation, appointed at the last meeting, having presented the Certificate of Re-incorporation of the "Aztec Club of 1847," the said Certificate was approved and the Committee was ordered continued in power to obtain the neces-

sary signatures to the certificate of re-incorporation and secure for the Aztec Club of 1847 a perpetual charter.

A recommendation to fix upon a permanent home for the Club was by resolution ordered to be submitted by the Secretary to the members of the Club for their opinion as to its advisability, etc.

1905. The Secretary reported that in response to the request in the last year's proceedings for the views of the members of the Club as to the advisability of a permanent home for the Club, but three replies were received.

1906. The revised Constitution of the Aztec Club of 1847, published in the proceedings of last year, was, on resolution, approved and accepted, and a Charter re-incorporating the Aztec Club of 1847 in perpetuity, under the Revised Statutes of the United States relating to the District of Columbia, was obtained July 6, 1906.

1907. The Secretary was ordered to prepare for distribution among the members the Register containing the Constitution and List of Members.

1908. A resolution providing that other sons or nearest blood relatives of a primary member may be elected to membership in the Club as associate members was adopted.

A resolution permitting all members of the Club to wear the colors of the Club on a narrow bar was adopted.

1909. Under the several decisions, the whole number of primary members now enrolled—officers who personally served in Mexico during the war with that country—is as follows:

By the original list admitted in the City of Mexico (honorary)	2

Head Quarters Army of Occupation
Corpus Christi Texas March 8th 1846

Orders,
No. 31

The Army of Occupation being about to take position on the left bank of the Rio Grande, under the orders of the Executive of the United States, the General Commanding deems it proper to express his hope that the movement will prove beneficial to all concerned: and that nothing may be wanting on his part to insure so desirable a result, he strictly enjoins upon his Command the most scrupulous regard for the rights of all persons who may be found in the peaceable pursuit of their respective avocations, residing on both banks of the Rio Grande. No person, under any pretence whatever, will interfere in any manner with the civil rights or religious privileges of the people, but will pay the utmost respect to both. Whatever may be required for the use of the army, will be purchased by the proper departments at the highest market price. The General commanding is happy to say that he has entire confidence in the patriotism and discipline of the army under his command, and feels assured that his orders, as above expressed, will be strictly observed.

GENERAL TAYLOR'S ORDER NO. 30.

The original of this order was presented to the Aztec Club by Major Theodore J. Eckerson, U. S. Army. In his letter of presentation he says: "This general order was carried in my knapsack on the marches from Corpus Christi to the Rio Grande; from Matamoras to Camargo, and thence to Monterey; from Monterey to Tampico; from Tampico to Vera Cruz; from Vera Cruz to the City of Mexico, and thence back to the coast. It was present at Palo Alto, Resaca de la Palma, Monterey, Vera Cruz, Cerro Gordo, Contreras, Churubusco, Chapultepec, and the capture of the City of Mexico."

cation by the eldest son or nearest male lineal descendant of the officer so killed such son or nearest male lineal descendant may be eligible to membership as representing his dead relative. When such representative has been duly elected and qualified, the name of the dead officer and the battle where he was killed shall be entered on List Number One, in a separate group with his representative in the order of election.

Fourth. As provided in 1887, the son or nearest male blood relative of any deceased officer who never himself applied for membership (though eligible thereto because of personal service in Mexico during the war) may make written application for admission as the representative of his father or blood relative upon nomination by two members to whom he is known. If elected and qualified, the name of such dead officer shall also be enrolled on List Number One, in the same numerical series, in a separate group, and in the order of the date of admittance of the lineal descendant.

FUTURE ACTIVE MEMBERSHIP.

Fifth. To provide for the continuance of the Club in conformity with the resolution of September, 1874, each Primary Member admitted upon personal application may nominate as his successor his son or a male blood relative, who during the life of the Primary shall be known as an Associate Member, and entitled to all the privileges of the Club except that of voting, and upon the death of the Primary shall be entitled as his representative to full membership. Should a Primary die without having named his successor, his son *first* or nearest blood relative *next* may, on written application, be nominated as his representative by two members to whom he is known; but no one proposed for an Associate Member or as the representative of a deceased member shall be voted for until the Committee on Admission shall report him eligible and qualified to join the Club.

A Representative Member may nominate as his successor his son or a male blood relative of the Primary Member, whose status shall be that of an Associate Member, as heretofore stated.

If application as the successor of a Primary or Representative Member be made within five years from the date of the death of the Primary or Representative Member, the status of the elected applicant shall be that of Associate Member, in that his initiation fee shall be that of an Associate Member. Such elected applicant shall immediately succeed to full membership as a Successor upon election, and shall be recorded as a Representative Member.

If minors are proposed for membership, their names will be retained for future action until they attain majority.

When the Primary or Representative Member has failed to

nominate his successor, then the prospective Representative Member shall be the nearest in blood, male relative of the deceased Primary Member, if there be one qualified to become an acceptable representative of said Primary.

To prevent delay in the admission of candidates to membership in the Club, the Committee on Admissions shall meet four times each year, viz., first Tuesday of January, first Tuesday of April, first Tuesday of June, and first Tuesday of October, and all candidates for admission to the Aztec Club of 1847 who pass the ordeal of that body will be at once reported to the Secretary, who will notify the candidate that he is admitted to membership without further action, provided he duly qualifies for the same.

The Club may act at the regular annual meeting upon any case that may, from any cause, be referred to it.

Should the election of a member take place at the annual meeting of the Club, at least thirteen affirmative votes (in person or by letter) shall be required to admit the applicant, while two negative votes will reject him.

The names of candidates for election shall be presented by members only upon the express request of said candidates.

There shall be no annual dues for those members not in arrears at the date of the adoption of this Constitution. When those in arrears shall have paid, in full, their obligations under the Constitution of 1900, there shall be no annual dues required of any member.
