George Gibbes Esqr
Boston

Philad. Feb. 7. 1811

Dfr. The Secretary advised you of your elec=
=tion as a Member of the Amn. Philos. Society
as I was led from a conversation with your
Sister to believe you would visit us I was in=
=duced to retain your certificate, but having
since learnt from some quarter that you
had gone to Boston I now forward the
Certificate — I was in hopes had you visited
us to have ascertained your Views relative
to your minerals & whether we could meet
them in a manner suited thereto which
we are very desirous of doing — I hope however
we shall see you in the Spring

I remain Dfr
Your friend
