Dr Laura New York Aug 25. 1843

I returned home last Evening, after a pleasant tour through part of Penn.a and found William & Eliza very ill, preparing to commence House keeping, the first of Nov.r I understand they propose visiting you in October. — Mrs Gracie has gone to Boston & is to meet Mr. Gracie, Mr. Jas King & Sally, at New Haven, next week. I saw your Brother William Gibbs at New Haven on Monday Morning. he is I presume now in this City, though I have not yet seen him — he is looking out for a passage to England: — what his prospects of success are, I cannot say. — Mrs Gibbs & family are still in Phil.a — Mrs Moores health is better than it has been, but not sufficiently improved, to undertake a Journey. your Brothers went with me to Litchfield & were delighted with their Journey. I understood you was expected at New Haven next week, which I now presume was a mistake. I am sorry that you think
