Boston Feby. 15. 1814.

Dear Sir

I recd. yours of ye 20th. relating to the Coal which I was very glad to hear. — I shall be on in about three weeks before any thing can be done. Being much engaged in preparations for my removal I will ~~defer~~ leave till we meet the subject of a Geological Soc. — Mrs G is well and joins with me in best regards to Mrs L yourself

Yours truly G Gibbs
