of $150 — to be discharged by the payment of the Principal sum $2500 — ~~and~~ Mr Cadwalader ~~having~~ informed me in answer to my enquiry, that payment would be accepted in a Draft on one of the Banks in N.Y.K. — and most of your brother & Sisters have New York Money in trust with me. — I have transmitted Mr C — a draft for the same, to pay the Principal and obtain a quitclaim Deed, which he advises me he will have done. —

I purpose going to Newport to morrow, where shall attend to what may be needful about the estates of the family there —

Yours
W Channing
