1802. Sept. 1

Geo. Gibbs Esqr.

Dear Sir

I have no claims on you. I send myself threatened for 1000 £ Stg - altho' possessed of considerable & real property ~~in~~ America also a certitude of recovery here in London in a little time at least 2 to 3000 £. one thousand of which is already decided in my favor to be paid thro' Mr. Irving as he knows. — Could you aid me with a letter of credit for that sum on any House here or in France. A perfect confidence in my own resources to reembourse this in less than Sejx months enables me to ask the favor — If in your power, I trust you will facilitate me. My acknowledgements shall commensurate the liberality, & my honour remain inviolably pledged to reward it.

yours very obediently
