1815

Dear Sir -

Boston April 8. 1815

Since I wrote you I have had a conversation with Mr. Sam. G. Perkins on the subject of your account with Mr. Higginson - & by his advice I now think Mr. H. would now consent to a reference - as I am so much unacquainted with you both I should not like to act as a referee. — Mr. Cotting is one of the largest owners of real estate in this town - & a very fair man - if you have no objection to referring it to him - & will forward your statement - I think you will not have any difficulty in making a settlement -

Yours with esteem

P. O. Davis
