Newport April 20. 1815

I have put on board the Sloop General Greene three barrels barley containing ten bushels – It is of the best quality & it has been difficult to get that which was entirely clear of foul seed – I hope it will arrive in good time for you – I have been obliged to give $1.10 pr bus of 48 lbs – although my own tenant offered to furnish at 90 cents

Yours respectfully
A Clarke
