Northampton June 14. 1815.

My Dear Sir,

I wish you to import for me French Books to the amount of one hundred Dollars, on Mineralogy & Chemistry — the latest & most approved authors is desired, of course — be so good as to embrace the first opportunity that presents — If you cannot comply with this request, have the goodness to inform me so that I may obtain them thro some other channel — I have mentioned or named $100. if such books as we necessary can be obtained for a less sum, so be it — it is left with yr superior judgment —

I hope you have rec? yr French Books we left last winter with
