23 Jul

Dear Sir

I have not yet rec'd
The money from Mowatt.
But in a Note rec'd from Him
This Morning in answer
to one I wrote him upon
the subject He promises to
call at 11 o'Clk. Tomorrow Mng.
and settle The Bonds - He
has at length obtained from
Franklin The Release a
want of which has been
his Pretext for Delay. I have
not heard from Your Brother
since He went to The Islands.
