My dear Daughter. Litchfield July 15. 1822 1822

I have just rec'd your Letter of the 8th and I rejoice to hear that you & the children are all well. — My health has been much as usual, though I find I cannot endure the same exertions as formerly, without more fatigue: — this I must expect, at my period of life. Oliver & John are nursing Harriet. Jane's health is rather delicate — The boy is strong & healthy.

Our Law for stopping the Steam Boats, will render it more difficult for you to come here, but if possible, I must have you & the Children during the hot sultry season. Return my dear Elizabeth, kisses a hundred fold, with as many more to George and my dear namesake, whose fine features are frequently present to my imagination.

With Love to Mr Gibbs & yourself. I am affectionately ever yours. — accept the inclosed drop on Mr Gracie. —

Oliv. Wolcott.

Mrs Laura Gibbs.
