Boston April 11th 1827

George Gibbs Esq.

Dear Sir

Mr. Bowditch has presented Mr Channings account as trustee, and also as Executor of your mothers will, and the Court have assigned Monday the thirtieth day of April for the consideration of them. You had better make an arrangement to meet your brother William here a few days previous, to examine the accounts, and state your objections, if you have any.

with great esteem

Yours

John Heard Jun
