Boston October 27. 1827.

Col Geo. Gibbs,

Dear Sir,

Your favour of the 15 Inst. came duly to hand. — I have seen Mr. Bowditch several times respecting the Trust fund — he appears to be desirous of settling the whole concern & unwilling to do any [redacted] full & final adjustment can be made. — If the settlement can be effected with Mr. Bradish I see no difficulty in having this business closed. —

I have sent to Mr. Osborn a quintal of Fish for which I paid 7 Dollars — it is new & will improve, I am not a judge of the quality myself, but a good judge recommended this as the best in the City. —

I am with respect

Your Obedt

Chs Francis.
