Dear Sir Newport Feb 7th 1828

In a letter rec'd from you in Nov.r last - I was requested to pay over to Mrs E Greene & Miss R. Champlin - $78 - towards the arrears due on their pensions, assigned by the will of your hon.d Father, & which sum you had previously remitted me - I accordingly paid the money to them $39 each - 3 Quarterly installments were then due to them; another has since fallen due the 1st Ultimo - Amounting after deducting the $78. to $338 - I am informed that they are quite distressed by the non payment of their stipends -

The dividends for July 1827 & Jan.y 1828 on Stock in the Bank of Rhode Island - being $410 - & the Bridge dividend for June 1827 $20 - have been carried to Account of Executors of George Gibbs dec.d - making $430 - I understood those Stocks were set aside by the Executors as a fund for payment of the aforesaid Annuities - but they cannot be so applied by me, with your Special order as Surviving Executor -

The above sum of $430 - is sufficient to pay the arrearage of $338 - & leave a surplus of $92 - towards the April Quarter -

I
