In my account of the property on hand Jany 10 last you will observe that there was in money short invested $2726.96 — this amount had been rec^d a short time before & on that same day I loaned 4000 Dollars on a Mortgage on account of the Trust & advanced the balance & I am at this [illegible] in advance a small sum — I mention this that you may be assured the money is [illegible]

I Hope you will be able to examine these accounts soon & forward them to me as I am very desirous of having them settled at the Probate Office —

I am with Esteem
