Dr Sir

I Have another application from Mr Vernon for the Stone Mine Lot — he offers 1500 Dollars — Mather thinks the offer a good one much more than it is worth & would not purchase it himself — Thinks it should be sold I feel myself obliged once more to know your opinion respecting the same. —

I am about making up the Dividend from the present appearance the amount will be 3000 Dollars — please to say how you will receive the amount due you — It will probably be ready by the 20th Inst. —

I am Respectfully

Your Obd Ser

Ebn Francis
