Boston Sept. 7. 1832

Col. Geo. Gibbs,

Dear Sir

Your favour under date of the 5. Inst. came to hand this morning — I wrote Mess. Osborn & Youngs two or three days since to pay you Nine hundred Dollars but presume the letter had not reached them when you wrote — If you will have the goodness to call on them they will pay you the money —

I Notice what you wrote respecting the Stone Mill Lot — If any application should be made I will attend to it without delay —

I am respectfully
Your Obt. Sr.
Elm Francis
