Col^o George Gibbs, Boston Jany 17. 1833

Dear Sir,

I Have lately had an application for the Stone Mill Lot in Newport & have reason to think I can sell the same If I should be authorized for three thous. and Dollars — I think this is the price you named to me a short time since — will you have the goodness to write me & give ~~me~~ your opinion whether you wish it sold if the sale can be effected at this price — if you are of opinion that it had better be held at a higher price I wish you to write me at what price I may offer it. —

I Have this day written Mess Osborn & Youngs & sent them your Note & a receipt with directions to pay you the balance due — you will please to call on them and receive it. —

I am with Respect

Your obed^t Ser^t

Ebm Francis
