Have you seen the account of Mrs Siddons re-appearance on the Stage? I pray you may yet have a chance of seeing this prodigy before her fatal Exit — apropos have you seen the New Tragedy of Bertrand? I am anxious for it after all I have heard about it —

Mrs D begs of me to ask you the names of all the South Carolinians, who have passed Thro' Newyork — we hear there are millions of them at the Springs, but this is all report, for as yet no Letter from Mr Derby —

Believe me to be

yours affectionately

A. F. Trumpington

My best love to Col Gibbes & a kiss to the dear little Cherub —
