New R.I. July 3. 1833

Dear Sir

I wrote you some time since mentioning that Mr Alex Murray had made an Offer of six hundred dollars for your Meeting House Lot — I have since had an Offer of $2000 for the Banister Lot — which I now submit for your consideration — I have put into the hands of R. W. Randolfs my deed for the Land in front of your lot, I request you say what your determination is respecting the Offers made for the land as I am Often asked if I have heard from you —

I am truly yours

Audley Clarke
