1816, Nov. 21

My Dear Sir

Will You do me the favour to order the Enclosed to be forwarded to Washington and returned by return of mail? I have hoped that my Pecuniary arrangements ere this would have rendered a renewal of this request unnecessary - As they are however I shall feel myself further much obliged by a compliance with it.

With my affectionate Respects to Your wife and the Family, I remain,

Very truly
Yours &c
L. Williams
