Boston July 10. 1833.

Col Geo. Gibbs,

Dear Sir,

It is my present intention to be at Newport the last of the present Month & the first of [illegible] & then be prepared to settle my Trust account & pay the Semi annual Dividend — I shall take on [illegible] the Note, Mortgages &c for the Examination of those interested in the Trust — I hope it will be convenient for you & meet me. — If your health or business will not admit of your being there, I wish you would authorize some person to Examine the account at Newport. ——

I am with Esteem

Your Ob. Serv.

Chs Francis.

N.B. The Semi annual Dividend will be a very good one — the exact amount I do not now know
