Sunswick August 5th 1834

Mr Clark

Dear Sir

[illegible]

the situation of the lot respecting which I wrote you last week. I find by the copy of a letter to Sam Whitehorne Esqr ~~that~~ dated march 29th 1833 that 850 dolls is fixed as the price of that lot this being the case I feel that to sell it at 600 may be at a sacrifice and wish you therefore to wait my sisters return to Newport who will talk with you further on the subject, will you have the goodness to let me know the situation of the lot which belonged to my husband which he gave in exchange to you in the negotiation prior to the sale of the Bannister lot to the church committee.
