150 Societies have made application for Parl. Docs. Yet it was impossible to get them. That they could be had regularly for £10 per ann. & that he would be happy to subscribe on behalf of the Govt. the funds of the Hist. Soc of N.Y. mentioned £5. a thousand. which would reduce the actual Subs. of the Society for the Docs to £5.

I am off in the Morning for Boston. I little regret but will be back here in 6 or 8 weeks. You had better write to Brodhead. He then will give me a very interesting letter from you a day or two since) & send out some books which he may present in the name of the Soc. Also if you can furnish a regular Series of your State documents. & Probably with the aid of Mr. Brown. to whom they can be done. The Parl. Docs and some other 70 volumes: a year. My regards to Governor & the Executive Committee. Ever Collecting Always Sincerely Yours John Eddy.
