to mind.
not to lose you (what we always intend) by being) that we have not rec'd
of your Packets in our hands - as you might conjecture from the long time we
have had the goods in our possession - was the case -
as soon as the Orders we have now in hand - small boxes Oysters
86. Chest Young Hyson Teas made up to sell by the Ladies having Glasses &
of the newly Fabric their Custom at the Port - but from your great punctuality
to the Season for Company it will make you any regret -
with sentiments of Esteem
We are as ever
