years ago when we were all small together. Do you hear any thing of Robert and what is he doing? I had a few lines from Dr Hare but he did not speak of himself. Write me by next steamer after receiving this and direct to the care of the Flottingers who will forward to me in Switzerland. Love to your mother & Annie as well as to Herr & Frau Eustis and the Fräuleins Eustis. I must stop here for the present. Pray do not

Send 6 weeks there in travelling on foot then to return to Paris and either resume my studies here or return home. I look forward to much pleasure from my journey in Switzerland through. I fear that I shall have the ill luck to have to travel alone. I go straight from Paris to Geneva and meet the Prince either there or at Interlachen. They start in a day or two and will spend the summer at Inter Lachen and then go to Italy. They are all well. Mrs Prince as tedious as ever and not looking at den that she did that

... next to see Dr Jackson

Yours ever Wolcott.

I am forgotten to ask George whether my things have arrived from Giessen ask him when you next write and [illegible]
