Walter Channing Esqr Newport Jany 18th 1825

Sir —

I have this day returned from Providence & but just learned that Govr Gibbs is going to Boston tomorrow — Should it be so thereon I shall put this in the mail — Just as I was setting off for Providence I was shown a letter from you to Govr Gibbs relative to a Tenant & suggesting you had reported unfavourably upon me — I understand by your letter that I was to communicate by letter to you what Deb Lawrence reported Wm S. Packham — but to obtain the information against you should come up — which I then expected would take place at the usual time of the year — This must account for my omission — I enquired of Gideon Packham & others respecting Mr Wm S. Packham the Cestq Que Trust for the farm — and received uniformly satisfactory answers — fully recommendatory of him in all the most desirable particulars — as also of his family — as to character, Industry, integrity & ability — I did not
