Old Mr John Allen in Vandewater Street may perhaps buy the St. Memins — Sell them if you can & repay the money to mother — value $50. — Bartlett can probably dispose of them — At any rate get them from the Hist^l. Society —

There are ten copies of my book there — One is for Bartlett, one for Charles King & the rest get for family use or distribution — not for sale —

I have told Mr Stagg if a sewer is put down in Broadway we will connect the leader with it — We do no repairs but such as the safety of the property requires —
