Col. George Gibbs,

Boston April 7. 1828.

Dear Sir,

I Have this day sent to your Brother at Newport the discharge to be given Mr Bradish with a power of Attorney for me to receive the money from Mr Bowditch with a bond of indemnity to be given to me on my signing this discharge to Mr. Bradish this was thought necessary as I do not receive any part of this money as Admin. I shall on the 1st of May next — I have no doubt you will find them all correct. — The discharge to Mr. Bradish must be acknowledged before a Judge or Justice —

I Presume the order on Mr. Bowditch will authorize me to receive the Trust fund in his hands — If you wish me to receive this, sell it and divide the proceeds in conformity to your Fathers will I will do it, if you do not wish me to receive I shall not, nor shall I do it till I have your Spicial direction. — I mention this at this time not knowing your own views respecting the Trust fund that no delay should take place in having a Settlement made with Mr Bradish. — I Have requested Mr. Osborn to call on you or send you the papers for your signature & when executed to forward them to your Sister at Philadelphia, as she contemplates a journey further South I hope you will be able to compleat the papers immediately. — —
