Dear Sir

I wait to see Mr Bradish before I signed the power which you enclosed a simple order from Mr Bradish on Mr Bowditch and a like power to you to receive the funds would have prevented the delay. It is my intention in signing this paper, only to authorize you and one of the heirs to receive from Mr Bowditch the [redacted] Lands belonging to Mr Bradish every thing which relates to the Executors office I shall settle myself with Mr Bowditch. — as it would have taken some time to make a new instrument I signed the one you forwarded, with the above explanation —

Your Obt Sr

[illegible]

May. 12 — 28

If Mr Bowditch refuses to accept this limitation you will please erase my signature — [illegible] —
