Boston Jany 29. 1829

Col. George Gibbs,

Dear Sir,

I Have suffered much inconvenience by not receiving from you the Amounts forwarded for your Examination, before they were sent I called on your Attorney Mr Baird & he examined the Amount & every item of property, found the same satisfactory, after this Examination I did not expect the Amounts would have been so long detained. —— I must request you immediately on receipt of this to return me the Amounts by Mail in order that I may take such steps as is necessary & have a regular Notice at our Probate Court for an Examination of the Amounts, before the Judge - this mode will be attended with Expence & trouble but I find myself under the necessity of resorting to it. ——

I am Your Obed Servt

Ebm Francis.
