Give my love to D'Remiuty -
I am sorry that he has not got
thoroughly rid of his ailments,
but the summer is young yet.
Kiss the children for me - Tell
Tottie that I have not seen
her since last October, and
that I shall have a summer-
sons lot of kisses due me
when I catch her -

I dont think the weather
has been hotter here than at
the north - Any way I have
not suffered from it as I did
last summer -

always your affect
brother George
