Dr. L.

When I returned I found all well. George has much improved — his eruption is better: — he eats like a Monk and in Connecticut phraseology, is a rising Character.

I will take good ~~[illegible]~~ of the Boy & shall be glad to see your & Col. Gibbs, whenever it is convenient, provided you consent to leave him as a Hostage.

Yrs. affs.

Oliv. Wolcott

If Mrs ~~Ellen~~ Elvert does not return soon please to send another Woman.
