June 24

Dear Colonel,

I am, this morning, again disappointed in not hearing from our Travelling Friends and cannot account therefor. Have you any letters to Day? Mr. Channing has none.

On what Day is it probable that Mr. Walter Channing will reach here?

I enclose you herein two notes which have been left here for you. And shall hope to have the Pleasure of seeing you at an early hour on Wednesday

Till when, Adieu,

Yours Affect.y

L.B.
