Sandwich Nov. 2d 1833

Dear Sir

Mr. Muhlenberg has sent me in a bill for Wolcotts half years school tim ending Aug. 1st on which there is an unpaid balance of the prior tim. The payment of which I understood ~~was~~ to have invoiced for, the amount is 260.45

It being of an unexpected amount I am myself not prepared to pay it, although I shall settle all that may hereafter accrue.

Will you therefore have the goodness to inform me whether you are empowered to pay it as heretofore and if so if I shall send it on.

I am happy to inform you that George has returned with improved Health, and though his stay has been short yet with a satisfied mind. so that I see no reason to regret either his voyage or his short stay abroad—
