know at once what steps have been taken by the college and what advances you will be able to make to purchase apparatus for the school. You have I suppose already signified to the college my acceptance of their proposal. I have no objection to return in July or August and will paid in two packets of 8ⁿᵉ or 16ⁿᵉ July so as to be sure to be in time. You will further be surprised at the character of some of my books many of them precious even presents — Write as soon as possible — If you know any one in Paris who would be an agreable acquaintance to me send me letters of introduction & packet to have reference —
