know at once what steps have been taken by the college and what advances you will be able to make to finishers appointed for the school. In the mean I suppose already notified to the college my acceptance of their proposal. I have no objection to return sur Italy — August and will join in the month of 8th or 16th July so as to be over to be in time. You will perhaps be surprised at the character of some of the books which of these manuscripts were presents = Write as soon as possible — If you know any one in Paris who would be an agreeable acquaintance to me send me letters of introduction & packet to your address —

Mr direction is No 2 Rue de Sully - Paris. I write long enough. Love to all at home - Yours ever Watts
