you ask me to tell
for Switzerland a
these on foot. The
make up any mind
funds collect to a
quest up all these
contagious to me t

an known about my plans for the evening years. I shall leave
the 1st of July and spend a month of or 6 weeks in travelling
back again to Paris in August and on my return there will
from which I learn from home and from the then state of my
some hopes of three or to depart from till the Spring. I suppose
to of going to Italy, as it I feel that it would be much safer and
plenty here during the winter. I have been taking lessons in

Monsieur Monsieur Livingston
Ministre des Etats Unis
Paris
