death will carry off also his old
friend Peter Force.

Wyatt asks after my health, as if
I was a chronic invalid - tell him I have
been as well as possible till the last
three days when I found a recurrence
to blue pill - Congress water & starva-
tion desirable - The commissioner sits
intermittingly, or rather the counsel &
witnesses strive to see who wont or
cant attend at the same time. Never-
theless I expect to finish with my
side this month. Now I have a jab
at the Smithsonian & shall quit on
the 1st August, unless the Chateau
Icaire purple away before - I dont
know however a better location than
where I am. If you dine with D
