He went take Pey out to Ellesmere this week as the grasses are not finished.

Mr Philp hears his Drawings - he has been detained by illness - I think he can give good advice about the Styearts - His cousin is one of the first water colour painters in England - & he has good taste & a very nice collection himself. Several of his pictures are in the Exhibition. By the way there is a Baltimore & Philadelphia Club called the "Allston Society" - of which I think he can inform you - It may be worth while to send him down a photograph of Jeremiah by them, or to the Walters. If you have one, give it to Mr Philp for him - I must pay for any thing -

I have a couple of tickets to Victoria in Elizabeth & Mall tog and distinguish myself with some select female & take care of the seats.

The Governor has written me about the Penny Farm - I shall probably answer him to day - He wants the Family to employ his men Sheffield, & I shall ease his mind on that point.

I saw your friend his Governor men an evening or two ago - She is here on a visit to her sister who has moved into his grand new house nearly opposite - he G. desired to be particularly remembered to you - Sitwell & have called in Robin Davis, who is staying with his brother at the Observatory & had a long
