Geo. Gibbs Esq.

Dear Sir,

Will you be so kind as to inform me whether the portrait of Washington copied by Vanderlyn & so long behind the Speaker's Chair in the U.S. House of Representatives is by Stuart or Trumbull?

I saw you mention the other day, & also the Professor, & they are both well. Excuse me for troubling you, but your early communication will oblige me.

Please address as per date, & oblige

Yours truly
H. T. Tuckerman
