LIVERPOOL ADELPHI HOTEL COMPANY, LIMITED
Liverpool

Liverpool, July 8th/80.

My Dear Mother –,

We arrived here safely and well, yesterday morning.

Our sea voyage was a very pleasant one. The Captain was very kind to us, & did all he could for our comfort.

We arrived off the bar at three o'clock in the morning, but had to wait until high tide at 8 o'clock before we could cross it. The city of Liverpool is situated on the river Mersey, about 15 miles from its mouth. The sail up the river is very pretty. We first pass Waterloo, a great Summer resort for the Liverpool tradespeople. Then we come to Birkenhead, and New Brighton, also Summer watering-places.
