Geo. Gibbs. Esq.

Ret. Lyons application 7/20

Dear Geo.

Refering to my last of the 6th inst. I have received Annis letter for which please thank her.

Assuming that my last letter with the enclosures, is in order. I now enclose a letter of Mr. Perkins of the 9th inst. which explains itself. I think, together with the enclosures he alludes to.

If you approve of all this, will you do the needful and return papers duly executed. If there is any point in which you desire enlightenment, please let me know. It does seem a very elaborate performance for such a piccayune result.

Let me know your expenses in this and for past papers, notary fees etc. and I will send you a cheque.

Very truly yours.

L. F. D'Oremieux
