telegraph are still open to the south, carrying every item of intelligence daily to the enemy's headquarters; while not a word of their operations is allowed here without inspection: Why open intercourse is permitted between Baltimore & Norfolk by sea - Why provisions are allowed to be sent through Kentucky to the South - Why the troops are not recalled from Missouri and Arkansas.

[illegible] I do understand that. It is because many [illegible] which will be seized by the Secessionists, indeed [illegible] than those holding Indian tribes in the frontier who [illegible] operations of the banditti in the transaction [illegible] pay or damages in either case; delicacy or loss.

But I must close.

Yours &c.
