telegraph are still open to the South, conveying every item of intelligence daily to the enemy's headquarters; while not a word of their operations is coming to us without inspection: Why open intercourse is permitted between Baltimore & Norfolk by sea – Why passports are allowed to be sent through Kentucky to the South – Why the troops are not recalled from Mississippi and Arkansas.

[illegible] I do understand that. It is because every contractor and purchasing [illegible] pets by [illegible] which will be seized by the Sheriffs. Should [illegible] Union holding Indiana titles on the fruits of the operations of the Commissariat in the transaction of pay or damages in either case; delivering a writ.

But I must close.

John A. Murray, Esq.
