Newton July 21 1861

My dear Hoop,

Father rushed down in the morning having hurried down from Saratoga to help the Government again through its money difficulties and being the surest avenue to the Treasury Vault -

I hope you are correct in your belief that Mc Clellan is ordered to Washington but very much doubt it - McDowell must clearly have Cabinet Pol. and I question whether the tenacious Gentlemen who compose it will be content to let him down with one defeat, though it signal the know that I long since abandoned the idea that any consideration of the wishes of the Country ever swayed the mind or influenced the opinions of our Rulers -

Cunnings of the World is also thoroughly foiled and outside of the Pale
